- | | | |
|-------------------------------|---|--------------------------|
| • Capella University-Online | PhD, Learner-Instructional Design for Online Learning | (‘06-expected grad. ’09) |
| • USC Keck School of Medicine | Educational Leadership Fellowship | (‘07-‘08) |
| • Emory University; GA | Categorical General Surgery Residency (PGY1&2 levels) | (‘04-‘06) |
| • Brown Medical School-RI | M.D. Clinical Years | (‘02-‘04) |
| • Dartmouth Medical School-NH | Medical Basic Sciences | (‘98-‘02) |
| • University of Miami-FL | B.S. Major-Biochemistry; Minors-Chemistry & Biology | (‘94-‘98) |

Professional Experience:

- **Clinical Director, Content & Online Training.** for Allscripts, a publicly traded medical informatics company, and developer of the Touchworks Electronic Health Record that is used by 40,000 doctors, and touches over 5 million patients each year. As clinical director of online education I led the development of physician user training curriculums, and supporting media for online and on-site training. In both scenarios I served the role of subject matter expert, and trainer. Also, I developed webinar based internal knowledge sharing initiatives, and a new advanced note documentation training program.

As clinical director of content, I created physical exam, ROS, HPI, Procedure and other note templates using .NET technology linked to MEDCIN™ structured clinical data for their premier enterprise level application Touchworks V11. I further led their \$15 million dollar collaborative partnership effort with Wolters Kluwer to develop a systems based approach for future content creation and modification management. Once Touchworks V11 was released, I led client specific clinical review of all content including our evidence based order sets called “Careguides”, and favorite lists (problems, mediations, etc). (August 06-Present)

- **Founder, and President of www.studentsofmedicine.com a 501(c)(3) non-profit corporation.** Our goal is to place into reach, professional careers for the underserved/underprivileged youth of America through the use of innovative online learning tools. Studentsofmedicine.com also aims to develop unique online learning resources to help ameliorate health disparities for patients, their doctors in training, and their doctors in practice. (‘00-Present)
- **Co-Author of Medical Content, SNMA Introduction to Clinical Medicine Pocket Guide.** As member of the Academic Affairs Committee of the Student National Medical Association, I co-authored the pocket guide, contributing the physical exam and lab interpretation components for the online version available to members of the Students National Medical Association. (‘05-06)
- **President of the Student National Medical Association, Chapter at Dartmouth Medical School.** As the first officially voted president of SNMA’s chapter at Dartmouth, I have led the establishment of many first time community and academic programs at Dartmouth Medical School. Some of these programs include establishment of a chapter of MAPS at Dartmouth College, and a Pre-med Mentoring Program with Dartmouth College. In addition, we organized and hosted SNMA officials for the first ever SNMA Regional Meeting at Dartmouth. Under my leadership, our 1-year-old chapter of SNMA was awarded the “Small but Mighty Chapter of the Year Award” at the 38th National SNMA Convention. (‘01-‘02)
- **Co-creator of the Human Gross Anatomy “Radiograph Atlas CD”, Dartmouth Medical School, Department of Anatomy.** Digital site design, creation and content organization of this interactive radiograph question and answer CD with over 200 images, used as a required resource of the first year human gross anatomy course at Dartmouth Medical School. <http://www.pmmus.com/AnatomyAtlas/index.htm> (‘01)
- **Founder of the “Health Care in America” elective, at Dartmouth Medical School.** This course is offered as an official Dartmouth elective for credit, to 1st and 2nd year medical students, who wish to gain a better perspective of health care in today's America. Four main areas of study included: current health care disparities for the uninsured; American disease prevalence and demographics; cultural competency; and health literacy. This elective will continue to be offered at Dartmouth under the administration of the Office of Multicultural Affairs. (‘02)
- **Co-chairman of the Student National Medical Association, chapter at Dartmouth Medical School.** As Co-chair, I contributed to the establishment of the first official, structured and active chapter of SNMA at Dartmouth, in addition to expanding our total budget to triple the number of students funded by Dartmouth to attend the SNMA Annual National Conference in following years. (‘00-‘01)

Special Skills:

- Academic and practical expertise in instructional design for online training environments, and developing innovative online training solutions within the healthcare domain. Learner group experience ranges from patients to physicians. Subject matter ranges from primary care and surgery to informatics.
- Curriculum design, and administration of live group and one-on-one training of physicians and ancillary staff, targeting higher order learning competencies and procedural knowledge.
- Administrative and user level experience with Learner Management Systems (LMS) such as WebCT, Blackboard, open source solutions such as Moodle, (and other SCORM compliant solutions), wiki solutions and bulletin board solutions such as PHPBB.
- Clinical content development & clinical experience at the capacity of medical practitioner with multiple EMR/EHR & Radiology solutions such as: Allscripts Touchworks V11, GE Centricity, PACS, Elcypsis, Powerchart, VA's VISTA, EpicEMR, & several more
- Extensive knowledge and experience as webmaster, web designer, and areas such as e-commerce and e-marketing.
- Fluent in both English and Spanish

Professional Affiliations:

- American College of Surgeons ('03-present)
- American Medical Association ('04-present)
- Association for Surgical Education ('06-present)
- Competency Implementation Group/Committee, Emory University Department of Surgery ('05-'06)
- Academic Affairs Committee, Student National Medical Association ('05-present)
- Dr. Martin Luther King Celebration Planning committee at Dartmouth College '01-'02
- Committee on Institutional Diversity and Equity at Dartmouth College ('00-'01)
- American Red Cross Organization

Research

- **"Cloning and expression of the S. Pombe orb-6 gene"**. Department of Biochemistry, Undergraduate Research Study, Dr. Fulvia Verde, Ph.D., Assistant Professor of Biochemistry, University of Miami. ('96-'97)
- **"Effects of Long Term and Short Term Dosage of AZT and other Antiviral Agents on Lymphocytes"**. Medical Oncology Laboratory, Undergraduate Work Study Internship, Dr. Ram Agarwal, Ph.D., Department of Medical Oncology, University of Miami. ('96)
- **"Techniques of bone histomorphometry and ground sectioning of rat cortical and cancellous bone"**. Orthopedics Laboratory, Undergraduate Internship, Dr. G. Turner, Ph.D., Director of Orthopedic Research, Mayo Clinic, in collaboration with Miguel Jimenez, M.D., Orthopedic Research Fellow, Mayo Clinic, Rochester MN. ('95)
- **"Cloning of the Rat B Cell Lymphoma -2- Proto Oncogene"**. Urology Laboratory, Minority Apprentice Summer Research Program, Dr. Ralph Buttyan, Ph.D., Director of Urology Research, Columbia University. ('93)

Community Service & Extra Curricular Activities:

- **Los Angeles Free Clinic**-Medical informatics consultant volunteer. Health care practitioner volunteer in the minor surgery clinic.
- **New Life Community Baptist Church (Georgia)**-Guest speaker regarding Women's health issues. ('05)
- **Rhode Island Free Clinic (Providence)**-Volunteered in providing free health care to those in need. ('01-'02)
- **Good Neighbor Health Clinic (VT)**-Volunteered with physician preceptor, in providing free health care to those in need. ('01-'02)
- **Dartmouth Medical School-Academic tutor in Anatomy, Histology and Biochemistry Basic Sciences ('01-'02)**
- **Dartmouth Medical School-Anatomy Pro-section**-Prepared cadaver specimens for first year teaching sessions with fellow volunteer second year students. ('01-'02)
- **Dartmouth College**-Pre-medical Medical Student Counselor, in association with the Student National Medical Association (SNMA), & Minority Association of Pre-Health Students (MAPS), chapters at Dartmouth Medical School ('01-'02)
- **Community College of Vermont**-Volunteer lecture discussions in Biology and Mathematics courses relating the respective topics to medicine. ('00-'01)
- **Future Kids, Inc. & NYCHA; New York City Housing Association**-Tutor for the instruction of computers and computer software to children in inner city community centers. ('00)
- **Miami Beach Senior High School**-College Volunteer, laboratory teaching assistant in Physics and Chemistry ('97)
- **The After School House Project; South Miami School District, Florida**-Volunteer trained tutor to help students with schoolwork, as well as boosting self-esteem. ('95)

Honors:

- **Physician's Recognition Award, by the American Medical Association ('06-08)**
- **Nomination for the Martin Luther King Social Justice Award at Dartmouth College, by Dartmouth College Administration ('02)**
- **38th Annual Student National Medical Association, National Conference: Region VII "Small but Mighty Chapter of the Year" Award ('02)**
- **National Institute of Health Research Apprentice Program ('94)**

Medical Certifications:

- **Advanced Cardiac Life Support**
- **Advanced Trauma Life Support**
- **Physician and Surgeon License with the Medical Board of California**
- **DEA Registration (Class 2, 2N, 4, 5)**
